

D2 introduces its new DCP360 Duplicator

Modular Concept - Blazing Fast - Multiple Masters

Build your own capacity by combining multiple units of 8 slave drives.
High performance duplication. Duplicate up to 4 masters to any selection of
available slave CRU drives.

DCP360 duplication 2:8, 2:16, 2:24, ... modular, compact & budget friendly

The master modular houses 4 master drives
(2 internal and 2 external) and 8 slave CRU
drives. Each additional slave unit houses 8
CRU slave drives. You can build or extend
to the capacity you need.
